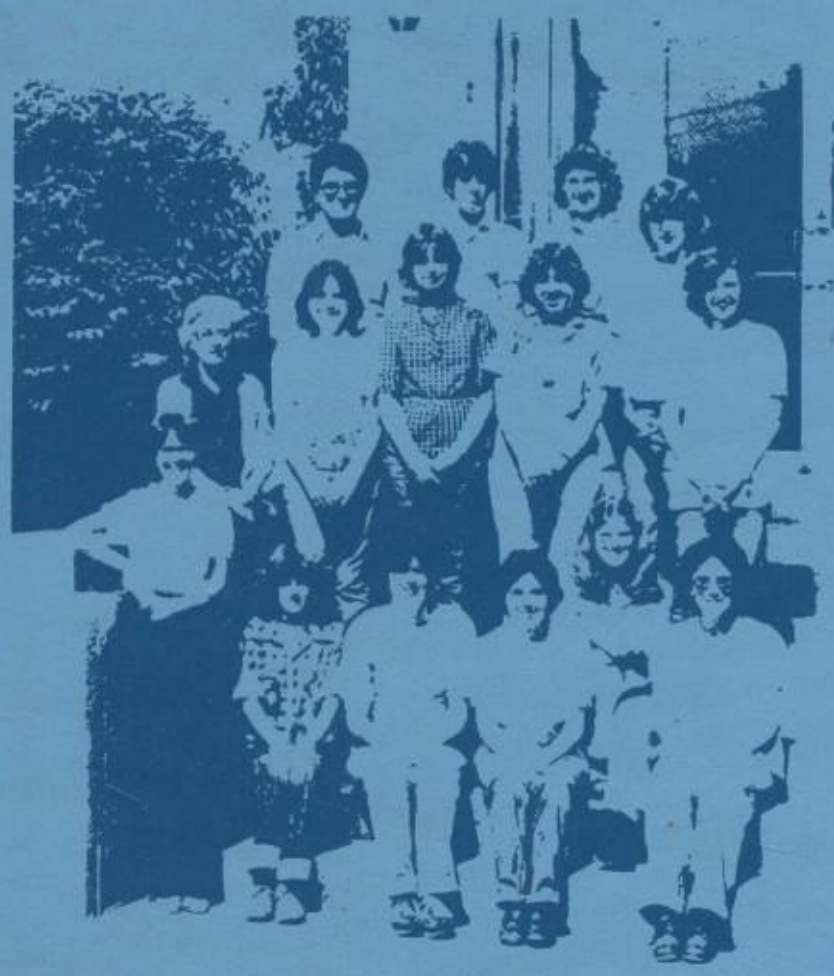
NEW DAY BEGUN



MINETAS

Linda,

TO a girl I known for a long time. I just got a few things to say. The first thing is I am very happy that you are around this long I hope this is the way it will be all the time. so don't forget all the times we were on the back porch and the 2 times we got stuck I only got in trouble once. Those summer day at the pool when we used the excuse the water was to cold so I can beat you at cards. (I am still the champ) and all those times we went to go eat and you had to pay because you said I drive and you will pay. we only got to see one movie together this year but there will be others I hope they won't have to be scary ones either like Friday The 13th "(che che che Ha Ha Ha)". But I still like scary movies even if I feel sick. when you drive this summer if you not a scared too, you can take me out to eat. plus there will be alot of things we can do, I still say are car can beat yours. (Just Kidding) I'll never forget all those times I was starved and you or your mom ask me to eat with you. I am very happy and thankful about that[redacted]. so this isn't all I can write but I don't want to fill your book.

LOVE Denny K.

P.S. How Many Times has it Been.

LINDA,
A TRUE FRIEND "SINCE BIRTH!" HA, HA, HA I DON'T KNOW WHERE TO START EITHER REMEMBER GOING DOWN TO THE TOWN FOR BREAKFAST! I LOVED IT! REMEMBER CHORUS AND THE WAY THAT WE SANG WHEN WE HAD A SUBSTITUTE. WE'LL HAVE FUN CHEERING! MAYBE?!? I'M GLAD YOUR GOING WITH DENNIS! ARE YOU HAPPY? YOU LOOK LIKE YOUR HAPPY! WE DIDN'T DO AS MUCH TOGETHER AS WE DID LAST YEAR. REMEMBER THE SEMIOUALDORS (THAT'S NOT RIGHT BUT TOO BAD) AND ALL OF THOSE PEOPLE WHO EITHER SHOWED-OFF OR WERE TOO WORRIED ABOUT BREAKING A NAIL. REMEMBER THE VARSITY GAMES THAT WE CHEERED AT. YOU AND GRETCHEN REALLY GOOFED OFF. REMEMBER SUE'S BONYA BASH?!? YOU REALLY GUZZLED DOWN THE WHITE RUINE. I WONDER WHAT YOU AND DENNIS DID AFTER HE PICKED YOU UP BECAUSE YOU WERE FEELING PRETTY GOOD! REMEMBER BIOLOGY AND DISECTING WORMS AND FISH AND GRASSHOPPERS. REMEMBER WRITING NOTES TO TEDDY BARE (KATHY'S BOYFRIEND) THOSE WERE GOOD NOTES. ILL SEE YOU LATER BECAUSE YOU ONLY LIVE 1/2 A BLOCK AWAY. "SO FAR!" WELL SEE YA LATER! BYE

Luv
Leanne

Under the leadership of Head Coach Larry Cignetti, the Leechburg Blue Devils proved they're "Still the One" to the spirits and souls of each and every Blue Devil Fan. Once again, the Blue Devils challenged a tough WPIAL Section II, Class AA group of football teams and had a very successful season with an overall record of 8-2-1.

The ultimate game was played against the Jeanette Jayhawks. The entire student body and community of Leechburg were fired up for the game. In the first half, the Blue Devils were winning 21-0. Then, in the second half, the Jayhawks came from behind to score 21 points and tie the Devils. The question that still nags at the minds of Jeannette and Leechburg fans is "Given a bit more time, who could have won the game?"

Next week the Devils were to travel to Deer Lakes. There on a dismal, cold and rainy afternoon they were handed their first loss. This crushing loss put Jeannette in first place. Then, the biggest and truest rivalry game of the year between two of the largest rivals in the valley. On Halloween night, Leechburg and Freeport were to battle it out for second place. Leechburg charged on to victory which earned them a spot in the playoffs against New Brighton. The New Brighton Lions defeated the Blue Devils, thus ending a fine season for 1980.

The Library Aides are a group of students that assist Mr. Ferrari in the library during their studyhalls. They file books and magazines, get research material for students, and help with whatever duties Mr. Ferrari needs completed. Their work is nearly indispensible and always appreciated. The Drama Club is composed of Sr. High students who are interested in acting and enjoy performing for an audience. Scripts for the play are purchased by raising money in various ways. This year, the Drama Club members organized a "Candy Sale" which proved very successful monetarily. The script rights to the play, **The Beverly Hillbillies**, were purchased. Under the guidance of Mr. Mark Nigro, Drama Club Sponsor, the cast members were chosen. The students, as well as Mr. Mark Nigro, had a lot of fun preparing and practicing for the play. In essence, the play was once again enjoyed by all.

This year the *Minetas* staff was composed of dependable, artistic, and imaginative students. Under the direction of Mrs. Walker, the Advisor, and Janice and Rona, the Editors, the work on the yearbook was done earnestly and successfully. Many extra hours were spent doing lay-outs, typing, and taking pictures.

All of the extra work paid off when the yearbook was officially published. The entire faculty and student body commend the staff on a good job.

The *Trotty Veck* has long been an informative record of school and community happenings. As in recent years, its mere existance has been threatened by a general lack of support. Although sufficently staffed, the weight of responsibilities falls on the shoulders of the Editor-in-Chief, who is often left with the rewriting three-forths of the articles, and in some cases, even writing them to make the deadlines. In the future we hope more truly interested students take part in the *Trotty Veck*, and help make it a meaningful publication.

As teachers, we endure myriad responsibilities, put in endless hours of work and planning, and use our acculated skills in hopes that *someone* will understand the gist of our "gibberish." At times it would appear as though our efforts are all but wasted. But, every so often someone appreciates the effort. When commencement time rolls around, we can't help to think we contributed to guiding the students from where they were to where they're going. It's hard work being a teacher, but it all pays off when we can say, "We got it done."

In Memory Of

Mr. John A. Lawrence,

A Former Science Teacher At L.A.H.S. Who Will Always Be Remembered.

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge. The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness. If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind. The astronomer may speak to you of his understanding of space, but he cannot give you his understanding. The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it. And he who is versed in the science of numbers can tell of the regions of weight and measure, but he cannot conduct you thither. For the vision of one man lends not its wings to another man. And even as each one of you stands alone in God's knowledge, so must each one of you be alone in his knowledge of God and in his understanding of the earth

-Kahlil Gibran

Linda,

To the "most understanding" saphmore who has a terrific personality. Never forget all the parties— Lori Kepics' Christmas party with the Talent Show and Jane Surprise party with the Jordache jeans mishap, and finally getting her Nikes. Remember the pictures from there, too (especial of Sue "is mooning) Movin' on to school... we had Biology with "Porky"; all those drawings, dissectings, and gross discussions. Then, history with "Bucky"— boy does he like me. Forget all his quizzes so unexpectedly! I don't believe we made it through all those history classes! What an accomplishment! One more thing— Pershing's homeroom with Bob and Jeffro always acting up. Have a nice summer with Dennis!

Take care,

Shelley
